To shop for Marketplace coverage, go to <https://www.healthcare.gov/>. Many people qualify for premium tax credits which lowers the amount of monthly insurance premiums.

To review Medicare plan options, go to <https://www.medicare.gov/>. You may qualify for Extra Help with Medicare prescription drug costs: <https://www.ssa.gov/benefits/medicare/prescriptionhelp.html>

- Original Medicare – includes Hospital (Part A) & Medical (Part B) insurance
- Drug Plan Coverage (Part D)
- Medicare Supplement Insurance (Medigap) – helps pay out-of-pocket costs
- Medicare Advantage (Part C) – includes Part A, Part B, and may include Part D. *NOTE: When considering your options, verify that your providers are in-network and check with the plan to make sure your drugs are covered under their formulary (List of Covered Drugs). You can't buy a Medigap plan with Medicare Advantage.*
